Update from the Settled Minister Search Committee

Thanks to everyone who participated in small group discussions. We were able to engage with folks from all across different areas and ways of engaging with First Parish to talk about the ministerial search and our congregation's future. We spoke with congregants and staff, and in the coming months we will share what we have learned, both in small group conversations and in our earlier surveys, with lay leaders and, of course, with prospective ministers when our profile is made available to them as part of the search process. Curious about our process, or have questions about the search? Email us at **settled-search@firstparish.info**.

Giving First Nominations Open Now

Nominations are open through December 20th. To learn more about the program and to submit a nomination scan this QR code.

From the Bylaws Committee: Every Voice Matters!

Our voices matter most when everyone's voice can be heard. We're exploring online voting so that every member of our First Parish community — whether you're in the sanctuary, at home, or across the country — can participate in decisions that shape our congregation. Join us for one of two info sessions on online voting either on **Sunday, November 22 in the Parlor after worship**, or attend **on Zoom in the evening on Wednesday, December 2 from 8pm-9pm**.

Covenant Task Force Update

We have crafted a Draft Covenant for the congregation to consider as we move forward in our search process. It has been shared with the ministers, Parish Committee, Transition Team and the Search Committee for their thoughts and comments. The draft has now been posted on the First Parish website - see the draft and links to additional resources at https://www.firstparish.info/in-the-interim/congregational-covenant-task-force/
