Parish Minister Report August 18 2021-September 21, 2021

Rev. Erica F Richmond

First Parish in Arlington Massachusetts

Well, happy September! There is a Green Day song (elder millennial alert) that says, "Wake me Up when September Ends," and normally I hum it through the month, but this year, I am relishing in this time. It is such a treat to start year 2 with you all. I know how to get in the building! I have an email address! I know your names! I am part of this vibrant and wonderful community! What a difference 12 months make. Things feel more spacious given I am starting this year with sense of familiarity. And what fun was Outgathering! I keep meeting people for the first time (in the flesh) which is wild but also such a source of joy!

And thank you for the leadership you all are providing, there is a lot of navigate but the non-anxious presence you have has led to great moments of community and connection for our congregation.

blessings,

rev. erica

Worship:

Marta and I did a dialogue sermon for the first Sunday for the 2021-2022 programmatic year. We explored Rilke's poem about living the questions and how we all might cope with the uncertainty before us: 1) listening to our body, 2) finding solace in nature and art, and 3) connecting with community.

Outgathering was a great success! So lovely to continue to meet new folks in the flesh! This coming month I am leading an outdoor Vespers service for the Autumnal Equinox on Wednesday, September 22nd at 7 pm in the Meeting House courtyard.

And preaching on Harriet the Spy on 9/26!

DRE Report September 2021

If you build it, they will come.....

Hello Friends,

I am very happy to report that we have begun our fall program at First Parish and the kids (and parents) did come back! I am very grateful for Ellen Robie and the RE Committee's energy. Together we sent a welcoming greeting card, by U.S. post, to every child in our database, plus a few whose families have filled out newcomer cards.

Yesterday we offered a blessing of the backpacks and devices in the courtyard and approximately **40 children** from grades Prek- 7, and at least one parent per child joined us. The courtyard was packed.

Anne Goodwin shared multiple musical pieces. We did joys and sorrows with rocks, a body prayer, and a celebration of our devices and learning tools. Each child was given a small flashlight for their backpack/school bags to keep them safe, and to remind them of the light of the divine and holy in each of us.

Most importantly, we saw each other again, touched elbows, waved and greeted one another. Members of the RE Committee stepped up to help set up and break down. Families lingered and chatted after we shared the benediction. It was a joy to be together again.

Rose and the youth co-leaders met with the incoming freshmen for a youth group orientation yesterday at 3:30 pm, also in the courtyard. **9 or the 12** kids from Coming of Age showed up, and more have promised to be there next week. The whole group met at 4 pm and **30 teens** spent two hours playing icebreaker games, sharing stories of summer adventures, their hopes and dreams for the fall, and plans for upcoming youth group events. Advisors Paul Franzosa, Andrew Kobabayshi and Bill Licea Kane returned to lend their support. We are currently on the hunt for female advisors (suggestions accepted!)

We took plenty of photographs of both the morning program and Youth Group, which will be shared with the congregation in next Sunday's worship service. OWL kicked off at 7 pm with a class of **13**. Most of these kids have been together since PreK. Teachers Leslie Lewis, Eric Segal and I held the parent orientation a few weeks back. **All the youth (and teachers) are vaccinated** and the parents are comfortable with the youth being in the Parlor, fully masked. I am so grateful this class can be taught in person.

What's Next?

We intend to stay outside as long as we can. However, if the weather turns cold/nasty we will gather in the Sanctuary, spaced apart with cushions for the children. Following a welcome/greeting, smaller groups will go off to various open spaces in the building for art projects or other activities. We will connect with families via email on Sunday mornings if we are NOT staying outside.

September 26:

Morning program meets in the Courtyard at 10:00. We will be making chalices and talking about altars. Small groups will forage in nearby areas for materials from nature for altar making. Children will talk about chalice lightings, blessings, and table graces. Familiar rituals will be continued. Anne Goodwin returns as a musical leader.

OWL meets at 7:00 pm in the Parlor Youth Group meets at 7:00 pm either outdoors or in the Bailey Room or Sanctuary (weather dependent)

October 3:

Water is the theme of the day. We will have a water blessing and read a Native American story (Water Protectors). Small groups will walk to the Native American Statue behind the library or to Spy Pond (older kids). Older kids will pick up trash at Spy Pond.

October 2:

Youth Group Lock Out, 6-10:30 pm (not sleeping over this time), in the courtyard. Worship, music and bonding activities.

October 10:

A multi-aged, family walk at Whipple Hill, starting at 10:00 a.m. NO OWL or Youth Group. Older children and their families will be invited to the Matt Meyer Drumming Program.

Following these weeks we will reassess. We will have a better sense of what our returning population will be.

The RE Committee will be meeting bi-monthly to discuss our next steps. The Curriculum sub-committee will present two suggestions for when we meet again in the building - either to meet by grade, as we always have done, with our usual lessons; or, if our numbers are smaller, to divide by age groups and offer lessons from Soul Matters, a thematic curriculum we used last year. Of course we will make plans in case we need to meet virtually if COVID numbers rise.

I received a thank you email this morning from a dad with three small children, telling us how grateful his family was for the opportunity to connect, to see one another again, to pray, to smile, and to hang out with other parents while their kids ran around in the graveyard.

This is why we do the work we do.

Thank you all for your support and patience as we figure it all out, together.

See you Tuesday night! Tina

First Parish Unitarian Universalist of Arlington Recommended Bylaw Guidance- Financial Matters September 2021

ARTICLE XII—Fiscal Matters

<u>Section 1.</u> The fiscal year of the Church shall be from July 1 to June 30. *Guidance (Sept 2021): No change.*

<u>Section 2.</u> In its management of the affairs of the Church, the Parish Committee shall expend only such sums as have been appropriated by adoption of the annual budget or by special vote taken at the Annual Meeting or at another congregational meeting or are designated gifts or grants that are intended by the giver to be used before the following fiscal year.

Guidance (Sept 2021): "...such sums as have been appropriated by adoption of the annual budget.. indicates expenditures remain appropriated by budget adoption, including expenditures of budget surplus in a subsequent year. Budget surplus expenditures are subject to further recommended limits provided below.

<u>Section 3.</u> At each Annual Meeting, the Parish Committee shall submit an operating budget for the coming fiscal year. The budgeted expenditures may not exceed the anticipated income. A budget shall be adopted by a simple majority vote of the voting members present at the meeting. Once a budget is approved, the Parish Committee may authorize and expend the funds as budgeted; however, the Parish Committee may reallocate funds among the line items of the approved budget so long as the amount reallocated does not exceed ten percent of the total budgeted expenditures. *Guidance (Sept 2021): ... Parish Committee may reallocate funds among the line items of the approved budget as long as the amount reallocated does not exceed ten percent of the total budgeted expenditures of the total budgeted expenditures... <i>indicated expenditure allocation representing ten percent of the TOTAL budget.*

<u>Section 4.</u> Each committee of the Church, whether standing or appointed, shall have the right and responsibility to direct expenditure of funds allocated for its use in the annual operating budget.

Guidance (Sept 2021): No change.

<u>Section 5.</u> The Parish Committee may borrow money for church expenses, if necessary; however, no borrowing of money nor financial contract may be made without approval of the members of the Church in a congregational meeting if such borrowing or contract involves more than ten percent of the current annual operating budget. *Guidance (Sept. 2021): No change.*

Guidance regarding surplus:

The Parish Committee will have the ability to expend uncommitted prior year surplus, limited by retaining a recommended working capital reserve representing <u>two months</u> of the key fixed expenses namely budgeted salary (including employee benefits) and other

fixed expenses for property, utilities, and insurance. (For example, for FY 2021 Surplus contingency should remain within \$100.6 thousand, representing two months of budgeted fixed expenses for salary and building maintenance. As of July 1, the 2410-General Reserve Contingency Fund balance is \$175.8 thousand. In this example, \$100.6 thousand is retained to be used in the event of unforeseen circumstances adversely affecting Parish cash flow and the balance of \$75.2 thousand would be available to address other critical Parish needs at the discretion of the Parish Committee).

Additionally, we recommend that the Parish Committee set an aspirational goal to increase the working capital reserve using future surpluses to at least 3 months of key fixed expenses.
